1. At the expense of 150,000 DM (East), equipment has been installed in the Mansfeld Works, Harz, for processing rhenium. Production is already under way and will amount to about 80 kg. in 1950. The sale price within the East Zone is 55 DM (East) per gram, but for outside buyers the price is 11 DM (West). Another installation for the production of rhenium is planned in Hettstedt, Harz.
